Our Terms & Conditions

SOUTH AFRICAN ORDERS

The instalments shown in the table include interest charged at 17.5%, delivery fees from 10% and a facility account fee.

Monthly service fee: You will be charged a monthly service fee of R39 and an additional R30 if you use both your Flexi and Advantage accounts. Using the Advantage account is optional, and you will only be charged fees for this account if you decide to use it.

This fee will be added to your outstanding balance on a pro-rata basis each time you buy until the full fee has

been paid. This fee will never be more than what is allowed by the National Credit Act.

Delivery fee: We charge a 10% delivery fee on all products except furniture and large appliances, for which we charge 12% (to a maximum of R860). The furniture assembly fee is R200. You may pay this in cash or request that it be added to your facility.

Collection fees: You may be given the option to pick up your order from your nearest store or ChoiceCollect container for a fee up to 5% (capped at R50), or from a Pargo collection point at 12%.

Legislation: As a responsible lender, we conduct business in terms of the National Credit Act and the Consumer Protection Act. We may also charge you for costs incurred to collect outstanding amounts on accounts that are in arrears.
